

India Show 2012

An Exclusive Exhibition on Indian Products

6 – 8 March 2012

Balai Kartini Exhibition Centre, Jakarta, Indonesia

Confederation of Indian Industry (CII) in association with the Embassy of India in Indonesia and support of Ministry of Commerce, Government of India is organizing the “**India Show**” on 6-8 March 2012 at Balai Kartini Exhibition Centre, Jakarta.

The India show is an initiative of the Confederation of Indian Industry (CII) to promote “Brand India” and the Indian industry overseas, specially in developing and under developed countries with demand for Indian products and technologies.

India Show shall focus on the sectors like Automotive, Petroleum & Natural Gas, Engineering, Science & Technology, Iron & Steel, Pharmaceuticals, Agro & Food Processing. The show would have a special focus on services sector which includes Financial Services, Information & Communication Technology (ICT), Hospitality, Tourism and Consumer Goods.

The main features of India Show are :

- The Exhibition (Three Days)
- One to One Meetings
- Sectoral Seminars
- High Level Ministerial Delegation
- Business Delegation
- Food & Cultural Festival

India Show would provide a platform for buyer-seller meet, international conference and seminar, business networking, technology assessment, strategic partnership, vendor development, etc. Visitors from around the globe, especially from Asia are expected to attend. The categories of visitors could include CEOs, decision makers, technical experts, sourcing personnel, diplomats, trade & government delegations, media etc.
